Your gift - their future

Major Gifts = Major Impact

Upgrading and creating warm, secure and spacious individual kennels for the rescued dogs costs us more than

£25k

Your support is crucial in helping us manage these major cost.

Major donations enable us to cover major costs - essential expenses for rescuing dogs, as well as maintenance and repair costs for our facilities. Costs like providing high quality kennels, crates and elevated dog beds, maintaining the paddocks, pools and kennel blocks.

Everyday Costs

It's not just these major costs we have to cover. There's the everyday costs of providing food, bedding, treats, and toys, veterinary care and transport costs. And, of course, the cost of staff to care for the dogs and give them a happy and fulfilling life... whether they are here on their journey to a new home or live here permanently.

You can make a difference!

If you can help us with a major donation of £500 or more and would like it to go to a specific project - such as developing the kennel blocks, sponsoring the cost of a staff member, or upgrading crates and beds - let us know and we will make sure we meet your wishes.

If you would like more information on donating a major gift contact us at foundation@dogtrouble.co.uk
